Dear Roberto,

Following a recent meeting of the Academic Policy Committee, it is my very pleasant duty to write to tell you that the College has, in recognition of your splendid achievement in obtaining a First in the Final Honour School in Politics, Philosophy and Economics, awarded you a £50 book token.

In addition, I should like on behalf of the Governing Body, to congratulate you on being *proxime accessit* for the prize awarded for the best thesis or supervised dissertation in Politics, submitted in the examination for the Honour School in Politics, Philosophy and Economics or Modern History and Politics, and also on being *proxime accessit* for the prize awarded for the Politics written paper in the examination for the Honour School in Politics, Philosophy and Economics or Modern History and Politics. These are splendid achievements for which we all send our warmest congratulations.

May I wish you all possible success in the future and I look forward to hearing from time to time how you are getting on in your chosen field and in other equally important areas of your life.

With warmest good wishes,

Yours sincerely,

Diana Walford
