Dear Headteacher

RE: OUTSTANDING PERFORMANCE IN GCE A LEVEL ECONOMICS

On behalf of the Chief Examiner I am very pleased to inform you that Robert Foa was amongst the highest scoring candidates in the June 2000 A Level Economics examination.

Out of a total entry of 7000 candidates, Robert Foa was within the 'top twenty' of candidates who achieved the highest overall marks in this June's examination, and we would like to offer our congratulations on this excellent performance.

I am sure you will want to pass on the news of this achievement to both the candidate and the teacher(s) concerned.

Yours sincerely,

Adrian Coleman
