Dear Robert

June 2000 AL Economics Examination

I am delighted to tell you that you achieved one of the highest marks in this summer's AL Economics examinations conducted by the London Board.

I enclose a letter from Edexcel informing us of this, copies of which I have passed to the Principal and to Vreni Oleram who are extremely pleased for you.

Very many congratulations on your excellent performance, and all good wishes for your future studies and career.

Yours sincerely

Mary Weller
Examinations Officer
